WINKLEIGH PARISH COUNCIL - PARISH CEMETERY TERMS AND CONDITIONS 2023

The Parish Council Burial Board only allow a memorial to be placed at the head of the grave, memorials on the grave or kerbing around it are not allowed.

Memorials erected on an ashes plot must be of the horizontal tablet style of a size no bigger or higher than 24” x 24” x 12” high

A receptacle for flowers may be built into the front base. The Parish Council does not allow flower pots or ornaments on the grave but we do allow one unbreakable vase no bigger than 150mm high placed on or built into the headstone to take cut flowers, please try to take out the flowers when they have wilted.

Should you wish to have ornaments on the headstone please ensure that they are discreet and tasteful. The Parish Council will not take responsibility for any damage or loss of flower pots or ornaments. Any items placed on the headstone are placed at the owner’s risk.

The Parish Council reserves the right in all cases to review each grave and headstone and if it is found to be inappropriate, the Council will remove items as necessary, you will be notified if this occurs.

The Parish Council makes regular checks on the condition of the headstones and if a problem is detected such as being loose, excessive leaning or otherwise appears unsafe we will endeavour to contact the grave owner or next of kin to repair the problem. If the owner cannot be contacted then for reasons of Health & Safety we may lay the memorial flat on the grave or have it repaired at the Council’s discretion. The Council reserves the right to repair, make good or remove any memorial which is allowed to fall into

The reason for the levelling of graves is so that the grass cutting and cemetery upkeep can be carried out in the most efficient and cost effective manner. For the same reason we can not allow the planting of shrubs or the placing of ornaments on the graves
